Table A- Judge Dorothy Miles

This is the easiest showjumping event. It starts with a round of jumps which must be jumped cleanly, in the correct order and within the time limit (which is based on a normal canter speed). Riders without penalties including time penalties - go into a jump-off. The jump-off course is usually a shorter and higher course. The steward informs riders what the course is. The jump-off will be against the clock, that is, the fastest clear round is the winner. The time is taken from when the horse's nose goes through the start flags until it goes through the finish flags. If your horse will turn smooth, tight corners and jump on slight angles there is no need to go too fast - this method is preferred as it is safest for the horse and rider.

Top Score -Judge Anne Leviston

In this event the jumps are given a value number with the easiest jump having the lowest number and the hardest jump the highest number. Jumps do not have to be jumped in number order and not all jumps need be jumped. Start and finish flags are placed together so they can be passed through from either direction. The idea of this event is to get the highest score (from value number) in the time allowed. Riders make up their own course keeping in mind the ability of their horse. You must pass through the flags to start your round. A jump can be scored twice only and any additional times it is jumped is a waste of time. Jumps can be jumped from both directions or the same direction. Any jump knocked down will not get a score and will not be put up again until the round is finished. Normal penalties for knock downs and refusals do not apply in this type of event. When the judge rings the bell, to signal the end of your round, ride as quickly as possible to pass through the flags - the time between when the bell rings and you pass through the flags will count if there are riders on equal scores.

Show jumping times are approximate.

Please be prepared to walk the course 30 mins prior or when called on the PA. Please notify the judge if you are held up by another event.
